

REMARKS

With respect to the objection to the drawings, Applicants respectfully point out that the claims do not include "cooling strips" as a feature of the invention.

Rather, the application is directed to a device for cooling sheets and for cooling strips. Both are illustrated in Fig. 1 and are denoted by reference numeral 16.

A copy of the International Preliminary Examination Report is being submitted herewith.

This application would now appear to be in condition for allowance and such action is respectfully solicited.

The Commissioner is authorized to charge any additional fees or charges required at this time in connection with this application to Patent and Trademark Office Deposit Account No. 11-1835.

Dated: March 27, 2009

Respectfully submitted,
